

Hampstead School District

Dear Parent or Guardian:

The 2023-24 school year is upon us, and Fresh Picks Café is pleased to once again manage your school's Food Service Program. Fresh Picks Café is a locally owned and operated company dedicated to serving delicious, wholesome, quality meals that meet the latest nutritional guidelines. As a refresher, here are some of the features your children enjoy through your district's partnership with Fresh Picks Cafe:

1.) Menus:

We offer online, interactive menus through ISITE. You have the option to download the "Web Menus by Isite" app to your mobile device and check your student's menu choices daily! Ingredients, allergen and nutritional data for all items served can be viewed from this app. Interactive menus are also available online and can be viewed and printed from your school district's nutrition website.

Hampstead Middle School has the following stations offering a variety of daily lunch choices. **Signature Picks** features homemade buffet style and made to order entrees; **Market Fresh**, features a daily selection of Entrée Salads, Bento Boxes, and Parfaits; **Pizza Picks** features quality Fresh Baked Pizza made with whole grain dough and low-fat cheeses; **Express Picks** offers Hot "Grab and Go" Sandwiches and **Deli Picks** serves made to order deli sandwiches.

The **Kids' Pick Café** at **Hampstead Central Elementary** offers a wide selection of choices each day including items such as our featured hot entrée, deli sandwiches, salads, bento boxes and parfaits.

The cafeterias will also be open prior to school each day to provide a **complete nutritious breakfast** featuring a wide range of hot and cold breakfast meal options. All breakfasts are accompanied by a variety of fruit selections to enable students choose a full, healthy meal to start their day.

Fresh Picks Café is proud to present our **Smart Snacks** line of healthier packaged snack, beverage, and homemade snack options. Visit the nutrition website and watch for details and news flashes on exciting new programs.

2.) Meal Assistance Program: The meal assistance program is a federally funded program that provides reduced and free meals to families that meet USDA income guidelines. Please be on the lookout for a separate mailing which contains the household application. Remember that you can apply or reapply at any point within the school year should your financial situation change.

Students receiving meal benefits go through the same checkout process as all students. They are also entitled to one breakfast and one lunch per day. Snack items such as snack milk or snacks are available to all students for an additional charge.

3.) Automated Point of Sale System: The Hampstead School District has an automated point of sale system from Titan. All student balances from Nutrikids accounts will transfer to Titan. Access to Titan will be provided at the beginning of the school year. Parents will have 2 methods to fund their student's account.

Option 1. Online Payments - You may set up an online account to use a credit or debit card to prepay for your child's purchases. The system allows you to view your child's purchase history, receive low balance alerts and more! Instructions for setting up your online account are available in print from your Food Service Director and posted on the nutrition website.

Option 2. You may send a check with your child, made payable to the **Hampstead Schools Lunch Program**. Please make sure to include the child's name in the memo line. Cash can also be accepted but is discouraged at the elementary school level.

Prepaid monies deposited by either method can be used for any purchases in the cafeteria, but at any time parents may contact the school food service supervisor and request that prepaid monies be used only for full meal purchases.

4.) **Credit Procedure: Fresh Picks Cafe** never denies any student a full, nutritious meal. We follow your school board approved meal charging policy and school administration approved procedures. Every student will always be provided with a full meal, but snack and a la carte items are only available when a student’s food service account has a positive balance or when the student has cash in hand. We will work with your school administration to ensure that communication of student account balance information is timely, compassionate and respectful your family’s privacy. Methods of communication for meal program accounts with negative balances could include regular notifications by e-mail, mail and/or telephone. Please refer to the school district’s charge policy and procedures for further information.

5.) **Student Allergy / Special Needs Identification:** If your student has a medically documented food allergy or special need when it comes to food, your food service director will work closely with the school nurse and other personnel to ensure that your child’s specific needs are met. Please visit the allergens page on your school district’s nutrition website to learn how to access allergen information online and/or to contact the Fresh Picks Café Dietitian Team.
